

# Peach State STARBASE Teacher

## Responsibilities

Dear Teacher,

The staff of Peach State STARBASE appreciates all of the help and input that you are able to provide. We would like to ask all teachers that attend STARBASE:

1. Help to maintain classroom order and discipline by remaining **actively engaged with students** in all classroom missions. This is not a time to catch up on grading or lesson planning.
2. Please help reinforce to the students that STARBASE instructors are the **primary** teachers in our facilities, and reserve "teachable moments" and other non-STARBASE lessons for your own classroom; we have a very tight curriculum with little spare time.
3. **Turn off** all cellular phones and other devices, or turn them to vibrate mode. **Please no TEXTING or SOCIAL MEDIA within view of students; if you must take a call, please leave the classroom. Related - there is no public WiFi available at STARBASE.**
4. Address STARBASE staff by their call signs only; this aids in continuity of classroom discipline.

In turn, the staff at STARBASE will do all that we can to help you integrate our lessons with those in your own classroom, and will remain available afterwards for input and consultation. An annual Teacher Institute is available in June, to help you explore STARBASE style STEM education at a greater depth..

I, \_\_\_\_\_ agree to adhere to the above Teacher responsibilities.
